Reference Case No 12-12020 (MG)

Dear Honorable Glenn,

G MAC Mortgage Company is part of referenced case. I'm lost concerning voting rights as creditor Jargon. There are two things I would like to know. That is, besides; as the late president Lyndon Boyne Johnson said clear in simple/plain language in the Great Society "administration" one am I due escrow back and two as a VA Vet applicant is there anything that says I can reestablish a loan at today's lesser rate without going back to a 30 year mortgage? I'm almost 65 years old. I had one refinance mortgage and after 14 years of paying I still owe \$79K at \$85K.

Thank you for your time.

Sincerely

Samuel Baker
